Due to the growth of Lynden and Lynden Youth Sports programs, the LYS board has decided that the time has come to screen potential coach's backgrounds to provide protection for our kids. This screen process will include a police record search performed by the Washington State Patrol. This process could result in your application being rejected. However, a criminal conviction will not necessarily result in automatic rejection as both the nature of the offense and when it occurred will be considered by the LYS Board's screen committee.

We appreciate the fact that this is an intrusion into your personal affairs but ask for your understanding and cooperation as LYS strives to provide quality recreational opportunities for the youth of Lynden.
